Comments
The activities we had to do in class were really well crafted and always aided in the understanding of the week's homework and lecture content.
Edwin was always ready to go the extra mile. When we had a question, he would go out of his way to answer it, even sending the class followup emails after section with a gorgeously itemized list of answers. He made the classroom a safe space to share ideas, try things out, make mistakes, and own up to things we didn't understand right off the bat. I also really appreciated his handouts and methodical posting of the keys on bcourses. Super on it, super organized, and very passionate, Edwin was an exemplary gsi!
Edwin was an amazing GSI this semester and one of my favorite GSIs I've had Berkeley. He was really good at explaining concepts, engaging, and organized. Thanks for the great semester!
Edwin was a great GSI! Very clear instruction and really listens to students. I truly have no complaints.
Edwin is my favorite GSI at Berkeley. He explains difficult concepts in an easy and simple way, and recognizes when students don't understand something. I've had him for four semesters and he continues to lead classes well & continues to improve his teaching each semester. He is very helpful during class time and office hours and always gives examples. He's very kind and easy to talk to and always welcomes questions. His discussion class is where I truly learn material from the course. I recommend him 100%!

Comments
I appreciated that the GSI was always open to answer our questions, but sometimes did not give complete answers when answering questions during section.
Edwin was great. It was just a lot of information. Section always felt too short, like it was just starting to click and then it would be time to go.
His flexibility and understanding

Comments
I've had the pleasure of Edwin being a GSI in two of my classes now and it's been a genuine pleasure! He has a clear passion for the subject matter and that makes such a difference when explaining some of the difficult concepts in class. I'm going to say flat out that I would not be doing as well as I have been had it not been for Edwin's help during our section and his office hours. I can't think of any real criticisms. It was a genuine pleasure!
The GSI was very thorough and clear in his explanations. The problem sets were often revealing and helpful.
Edwin did a wonderful job of leading section and clarifying both homework assignments and what was discussed in lecture.
